Awesome. We have our own sked with control officer contacts, etc. After we reconcile our schedules today, we can share this with you periodically.

Also, late morning on April 18th, I'll call a meeting with all of our logistics people so you guys can put names with faces. Do you want to travel to Bologna, or can we do everything from here?

Any word on how many of us EPA can support?

Thanks!

Funny. I just responded to the invite you sent for the call. Anyways, we will always try to include him.

Thanks Mark! It is a quirky thing – even though you included Rome ESTH, and that includes [REDACTED] he didn't get this. Please add him separately next time, and you can scratch our Rome ESTH-DL address.

[REDACTED] please update our internal schedule.

For our call today, I have attached an updated version of notional agenda.
The only real change is that we have put in train to Bologna instead of plane.

Look forward to speaking with you all later.

Mark
